Financial Agreement

Welcome to our family practice!

Please take a moment to review the following, and we will be happy to answer any of your questions.

Dental Insurance

Because we are committed to providing you the best possible care available, our office is not contracted as provider to any insurance company due to the limitations they attach to treatment, regardless of the diagnosis. Our commitment is to you, our patient, not an insurance company.

Your insurance benefits have been negotiated and purchased by your employer and offered as a benefit to you. We are not a party to that contract and have limited information regarding your benefits, but we will do everything we can to help you. As a courtesy, we will assist you in filling your claims to receive the maximum "out of network" benefits you are eligible to receive.

Missed Appointments and Cancelations

A specific amount of time is reserved especially for you, and we encourage all patients to keep their appointments. If you must change your appointment, we request at least 24 hours' notice to avoid a \$50/hour cancelation fee.

Flexible Payment Options

- Plan A: Payment Courtesy

We offer a 6% accounting courtesy for all treatment when the estimated amount due is \$100.00 or more is paid in full (cash, check, or card) at the time of service.

- Plan B: Major Credit Cards

We accept MasterCard, Visa, and Discover. We offer a two-payment option when the treatment requires more than one visit to complete. We ask that you pay half the balance at the first appointment and the remainder at the final appointment.

- Plan C: Term Loan

By arrangement with Care Credit or Chase Health Advance, we offer our patients, upon approval, an interest-free term loan (up to 12 months) with no down payment, no annual fee, ad no pre-payment penalty. Please ask us for an application.

Note: Patients with an outstanding balance for 60 days or more must make arrangements for payment prior to scheduling future appointments.

I have read and understand the financial policy of Bridgeman Dental. I agree to assign insurance benefit to Bridgeman Dental when necessary. I also agree that should it become necessary to forward my according for collection proceedings, in addition to the amount owed, I will also be responsible for the fees associated with the costs of collection.
